

# Title I Annual Parent Meeting Agenda 2023-2024

## 9-18-23

- What is a Title I school?
  - ✓ At least 40% of the children are from low-income families therefore, we are able to operate a schoolwide program.
  - ✓ Title I funds help with meeting educational goals:
    - Smaller class size
    - Additional paraprofessionals
    - Training for school staff
    - Interventionists for reading and math
    - Extra time for instruction (Example: MATT program)
    - Parent and Family Engagement Activities
    - A variety of supplemental materials and equipment
- PSSA data from 2022-2023-
  - ✓ Percentage of ELA proficiency/Advanced in each grade:
    - 3<sup>rd</sup>- 58%
    - 4<sup>th</sup>- 60%
    - 5<sup>th</sup>- 54%
    - 6<sup>th</sup>- 62%
  - ✓ Percentage of Math proficiency in each grade:
    - 3<sup>rd</sup>- 60%
    - 4<sup>th</sup>- 63%
    - 5<sup>th</sup>- 46%
    - 6<sup>th</sup>- 48%
  - ✓ Percentage of Science proficiency in 4<sup>th</sup> grade:
    - 93%
- What are our school performance goals?
  - ✓ 50% proficiency in math or 10% growth in math
  - ✓ 10% growth in ELA
- School & Parent Collaboration-
  - ✓ School works with families to ensure child's success
  - ✓ School and families work together to make decisions that affect child's education
  - ✓ School parent-teacher conferences and family engagement activities

**Title I OEES Annual Meeting  
9/18/23**

<b>What is funded by Title I?</b>	<b>Who benefits?</b>	<b>Why do we have this?</b>
<b>Xello</b>	K-6 students	Provides exposure to College and Career Readiness
<b>Paraprofessionals</b>	K-6 students and staff	Provide support in assigned grades to meet the needs of all learners
<b>Summer School</b>	K-5 students	Review/refine skills learned throughout the school year with the primary focus on Math and ELA
<b>ST Math</b>	K-6 students	A computer-based math program that focuses on building a conceptual understanding of math through rigorous learning and creative problem solving.
<b>Lexia</b>	<ul style="list-style-type: none"> <li>• K-3<sup>rd</sup> grade students (Core 5)</li> <li>• 4<sup>th</sup>-5<sup>th</sup> grade students (Core 5 interventions)</li> <li>• 6<sup>th</sup> grade students (Powerup interventions)</li> </ul>	“Lexia's literacy programs provide explicit, systematic, personalized learning on critical reading and language skills, and deliver real-time performance data without stopping to administer a test. This research-proven, technology-based approach accelerates reading skills development, predicts students' year-end performance, and provides teachers data- driven action plans to help differentiate instruction for each student.”
<b>Kindergarten Camp</b>	Incoming K students	Introduce incoming K students to the Kindergarten day to foster a smooth transition.
<b>Mandatory After-school Tutoring Time (MATT program)</b>	3-6 <sup>th</sup> grade students	Provides students additional support and time outside of the regular school day to strengthen all instructional areas.
<b>NWEA-MAP Assessment</b>	K-9 <sup>th</sup> grade students (Math & ELA)	“Adaptive tests make it possible for teachers to pinpoint what each child needs to learn best. At NWEA™ we help teachers understand your student's unique learning needs—because every student matters.” This assessment is an integral piece of our intervention program.
<b>Staff Trainings</b> (Instructional programs, theories, best practices, mental health, curriculum, etc.)	Staff Members	Provide a safe and secure learning environment for all students.
