SCHOOL & PARENT COLLABORATION

- We will work with families, as follows:
 - School works with families to ensure child's success
 - School and families work together to make decisions that affect child's education
 - School parent/teacher conferences and family engagement activities.

YOUR INVOLVEMENT IS KEY TO YOUR CHILD'S SUCCESS...

- You are your child's first teacher.
- You have the ability to influence your child's education more than any teacher or school.
- You know your child best:
 - Share information with your child's teacher about his or her interests and abilities.
 - Access the CSIU Parent Portal for Grades 4-6. Grades PreK-3 are now using Standards Based Reporting but at anytime you could ask your child's teacher for an update on your child's progress.
