## Principal's Corner

### Season's Greetings!

It is hard to believe that we are preparing for the holiday season and nearing the end of 2022. Time sure flies when you're having fun!

With so much on our "to do" lists, I hope you set aside time to slow down and enjoy the sights and sounds of this time of year. We appreciate you and all that you do to support our school.

With the month of December, comes colder weather. Please remember that we do go outside for recess when temperatures reach 35 degrees or higher. Hats and coats should be worn daily. If your child is in need of a winter jacket, please contact the front office.

With declining temperatures, we are likely to see snow. In the event that "Old Man Winter" is uncooperative, we must be prepared for delays and closings. Please make sure that your contact information is up to date in the office since all school information and messages will be delivered through our district's School Reach system. Important announcements will also be posted on our district's Facebook page.

From our school family to your family, we wish you a very happy holiday season. Enjoy the break and we will see you in 2023!

Should you have any questions, please call, email or stop in.

—Mrs. Nichole Garthwaite

2nd- Aubriana Niver Lakin Ray

3rd- Maddon Splain Jacoby Ray

4th: Magnus Miller Masen Armstrong

5th- Andrew Cover Bella Sheetz

6th-Caylynn Quinn Abigail Yingling

## Library Corner:

Greetings!

In November, the library held its annual Fall Book Fair and Bingo for Books. This was our most successful event ever! If you attended, we hope you enjoyed the fun evening!

As Winter Break approaches, library books will be due back for safe keeping over the Holiday season. As we get closer to break, you may receive a note stating a book is due back. Please be sure these books arrive safely back to our library.

—Mrs. Burkhouse

## Nurse's Nook:

Ready or not, here it comes!

The cold weather is upon us! COVID, flu, strep and other illnesses have already begun to plague our school community. Thank you for keeping children home with fever, vomiting, diarrhea, "goopy" eyes and severe respiratory symptoms. If students are out of school for fever, they must be fever free for 24 hours without the use of Tylenol or ibuprofen prior to returning to school.

## Ann's Attic

Ann Palmer, a retired first grade teacher, started a fund to provide clothing and other essential items for our students. It was her wish that students be provided for as needed. The Health Office often receives donations of new and gently used clothing, shoes, coats, hats, gloves, hygiene items and much more to be passed on to students. Ann's Attic has been used over the past several years for the needs of our students and has expanded to include a "closet" at the elementary and high school with the donated items available to anyone! Children grow so fast so why not help each other out? Think of it as a garage sale where everything is free!

If your family has a specific need please reach out , [mtemplin@ottoeldred.org](mailto:mtemplin@ottoeldred.org) or call 814-817-1380.— Mrs. Mary Kay Templin
